

O-ZON

O-ZON 195T SUNLOUNGER

Les rayons, inspirés du soleil, sur les plateaux de table sont repris et complétés par les courbes des chaises et des transats. Vous serez frappé par l'aspect éclatant de cette collection.

Die radialen Muster der Tischplatten , inspiriert von der Sonne, sind ergänzt durch die Stühle und Sonnenliegen. In diesen spiegeln sich die Formen des Tisches wieder!

Gebendet von dieser Aussicht setzten sie am besten ihre Sonnenbrille auf...

De zachte contouren van de tafels worden overgenomen in de passende stoelen en ligbedden van het O-ZON gamma; resulterend in een harmonieus geheel. De radiale patronen van de tafelbladen zijn als een weerspiegeling van de zon. Als u verblind wordt door hun schoonheid, zet u best simpelweg uw zonnebril op.

Le forme curve dei tavoli, che si abbinano perfettamente alle sedie e ai lettini, hanno sul top dei disegni radiali ispirati al sole. Di fronte a una tale abbagliante bellezza basta indossare gli occhiali da sole... La forma redonda de las mesas se complementa a la perfección con las sillas y las tumbonas de forma ovalada, una colección inspirada en el sol.
